

**Michael C. Hinderberger**  
**AS2 Program Manager**  
**Aerion Corporation**

Michael (Mike) Hinderberger is the Program Manager for the AS2 supersonic business jet at Aerion Corporation. In this capacity, he is responsible for the design, development, certification and entry into service of the AS2 aircraft.

Originally from Cincinnati, Ohio, Mike has held positions at Allied Signal, Rolls Royce, Gulfstream, Hawker Beechcraft, Piper, and Aerion over his 30+ year career. Beginning his career as a propulsion engineer, he eventually transitioned to the aircraft side where he led the PDR phase of the Gulfstream G650 as chief engineer, which provided the foundation for his current role at Aerion Corporation.

Mr. Hinderberger holds a bachelor's degree in Mechanical Engineering from the University of Cincinnati and a master's degree in Technical Management from Embry-Riddle University. He and his wife live in Reno, NV and have 2 children, one of whom is married and the other attending the University of Nevada in Reno.
