

Peter Truwit Bio

Peter Truwit is an Associate at Seraph Group where he actively manages existing Seraph portfolio companies, and sources and invests in new companies. Peter has over four years of experience working directly with startups and early-stage investing across nearly all high-tech sectors including aerospace, biotech and health tech, mobile/web development, enterprise software, and others. Previously, Peter worked briefly in Business Development at a startup (exit to Apple).

Peter holds a Bachelor of Arts in English Literature (emphasis creative writing) and Economics from Colgate University. In addition, Peter has completed multiple Business Training courses, including a Dale Carnegie course.

Peter lives in Mill Valley, CA with his wife, Lauren, and their two dogs Babar and Bramble.
