

## **Richard Terry Bio**

### **Director of Line Operations – An Introduction**

Rich Terry is a 1978 graduate of the United States Air Force Academy who deployed operationally flying the C-5. Hired by Delta in 1985, Rich “flew the line” for more than 20 years including stints on the 727, MD88, L10/L15, MD11, 757/767, and most recently the 767-400. Additionally, he served as an instructor on the 757/767 and as a line check airman on the 767-400. He worked as in the Atlanta Chief Pilots Office as the International Chief Pilot before becoming the Regional Director in New York. Since March 2017, Rich has been serving as Director of Line Operations for Delta Flight Operations where he supports the Line Pilots as they provide exceptional service to the Delta customer.
